“As an international student, I had to sit in front of my cell phone or PC to look up a web dictionary continuously. Now I can check every new word within half a second. I love the Lingopen™ more than my cell phone.” - Amazon User

FREE TRIALS AVAILABLE!

To all schools and parents

Instant word
translation

More than
20 built-in
dictionaries

Discreet and
portable

Supports
language
learners

Great
for EAL
students

Reads
text
aloud

The LingoPen™ is a major technological breakthrough for anyone working or studying an “additional language”. The embedded camera and OCR technology enables instant lookup and translation of words. Other features include a digital highlighter for capturing and storing text, 2GB storage, and voice recorder.

The LingoPen™ supports:

Arabic*, Chinese, English, French, German, Italian, Russian, & Spanish

**Only one-way translation: English to Arabic*

English

French

German

Spanish

Italian

Russian

Chinese

English

Arabic

“The audio functionality is of course beneficial for all EAL learners; the importance of students hearing target language modelled is a fundamental principle of good practice for supporting students who are learning English as an additional language.” - **Hampshire EMTAS Teacher Adviser**
