

**Role:** Teacher

**School Name:** Halifax Regional Centre for Education

**How did you incorporate the use of the pen?**

Introduced it to students during reading activities.

**How much training time did you need to become familiar with the pen?**

2 hours.

**How long did it take you to use the pen accurately?**

An additional hour. I find I'm still improving every time I use it.

**Did you feel confident with the pen and its features?**

Yes.

**How much training time did your students require to become confident users?**

Only 1 student really liked it and wanted to use it. Other 3 found it too hard to use. But I'm going to keep trying.

**Were students encouraged by its potential once familiar with its features?**

Yes.

**Would you recommend the pen, and if so why?**

For particular students i.e. good motor skills, good audio comp., good work ethic.
