

Role: Teacher

School Name: Halifax Regional Centre for Education

How did you incorporate the use of the pen?

With worksheets and novels students were reading.

How much training time did you need to become familiar with the pen?

Minimal (15-20 minutes).

How long did it take you to use the pen accurately?

Right away.

Did you feel confident with the pen and its features?

Yes.

How much training time did your students require to become confident users?

5-10 minutes.

Were there any features you felt were missing on the pen?

Being able to label files right on the pen.

Were students encouraged by its potential once familiar with its features?

Yes- most really liked it.

Would you recommend the pen, and if so why?

Yes- very useful tool for comprehension, doing research, and reviewing.

Other comments:

Overall, a great product!
